**5. Project idea/position (scientific requirements, topic, discipline):**

Rough outline of idea/position:

karema ("Kaiserslautern Research Matching") offers to promote the career of a maximum of 30 highly-qualified international postdocs by establishing mentoring relationships and joint projects with top-class scientists in Kaiserslautern (Germany).

Successful applicants will be invited and sponsored to attend the karema days from 02nd – 10th December 2017 in order to meet the renowned scientists at Kaiserslautern and to develop a joint project.

The aim is for the visiting researchers to subsequently apply for post-doctoral positions at the Technische Universität Kaiserslautern and develop research projects in collaboration with the renowned scientists at Kaiserslautern

Please tick:
