<sup>1</sup> MSCA Individual Fellowships are selected on the basis of annual calls for proposals. Forthcoming and open calls for proposals can be found on the [Participant Portal](#) of the European Commission under “Funding Opportunities” and “Calls/H2020”.

**5. Project idea/position (scientific requirements, topic, discipline):**

Rough outline of idea/position:

We are inviting post-docs with a background in Ergonomics, Human Factors, Organisational Psychology, Science and Technology Studies (STS), the Anthropology of Science and Technology, as well as the Anthropology of Work and Organisations and Sociologists of Technology to our division. We would be interested in hosting a project which studies the digitalization of work systems. The project would ideally aim for findings that can be used both for theory-building in interdisciplinary studies of work systems and for optimizing such systems."

Please tick:

- Life Sciences
- Natural Sciences
- Engineering Sciences
- Social Sciences and Humanities

**6. Deadline<sup>2</sup> for considering interests by post-doctoral applicants:**

None
