

## Marie Skłodowska-Curie PostDoc Positions in Germany

### “Expression of Interest” for hosting Fellows

This template should be used by institutions interested in hosting post-doctoral fellows within the Marie Skłodowska-Curie Individual Fellowship programme. Hosts should be located in Germany.

#### 1. Valid for the following Calls:

x 2018
x 2019
X 2020

#### 2. Interested institution (legal person):

University of Applied Sciences Dresden, Dresden, Germany
--

#### 3. Institute/Department:

Faculty Informatics
Website: <a href="http://www.htw-dresden.de/industrie40">http://www.htw-dresden.de/industrie40</a>

#### 4. Position, scientific requirements, topic, discipline\*:

PostDoc Position: You will join the interdisciplinary research group Smart Production Systems lead by Dirk Reichelt. Our research focuses on new technologies and solutions for the factory of the future. The fellow will be able to build prototypes and demonstrators using leading edge industrial IoT technologies. The fellow will work closely with industrial and research partners in one of the largest Industrie 4.0 testbeds in Germany at the University of Applied Sciences in Dresden.

\*Please tick:

(according to [scientific subject areas](#), defined by the German Research Foundation)

- Life Sciences
- Natural Sciences
- Engineering Sciences
- Social Sciences and Humanities

**5. Contact person (name and e-mail address):**

Prof. Dr. Dirk Reichelt  
[dirk.reichelt@htw-dresden.de](mailto:dirk.reichelt@htw-dresden.de)

**6. Deadline<sup>1</sup> for considering interests by post-doctoral applicants:**

At the very latest two months prior to the deadline of the respective call.

---

<sup>1</sup> Please consider that the preparation of a Marie Skłodowska-Curie proposal requires some time. Fellow and supervisor have to agree on a project and training opportunities for the fellow.
