1 MSCA Individual Fellowships are selected on the basis of annual calls for proposals. Forthcoming and open calls for proposals can be found on the Participant Portal of the European Commission under “Funding Opportunities” and “Calls/H2020”.

5. **Project idea/position (scientific requirements, topic, discipline):**

Rough outline of idea/position:

The IRS welcomes excellent Postdocs with an outstanding academic track record and a background in one of the following disciplines: economic and social geography, urban and regional sociology, political science, urban and regional planning, and contemporary history. Each research department can host one Marie Curie fellow. Proposed research projects are expected to contribute to the institute’s research on society and space (see current research programme [https://leibniz-irs.de/fileadmin/user_upload/Forschung_Downloads/IRS-Forschungsprogramm_2019-2021.pdf](https://leibniz-irs.de/fileadmin/user_upload/Forschung_Downloads/IRS-Forschungsprogramm_2019-2021.pdf)).

Please tick:

- Life Sciences
- Natural Sciences
- Engineering Sciences
- X Social Sciences and Humanities

6. **Deadline for considering interests by postdoctoral applicants:**

June 30th
