**Title**  
LabMUSE EpiGenMed Collaborative PhD Training Networks - Program 2021 - Health Biology

**Institution**  
The LabMUSE EpiGenMed is an internal MUSE - Montpellier University of Excellence - structure in Health-Biology. The University of Montpellier (https://www.umontpellier.fr/en) is a major interdisciplinary campus (49,000 students) in the South of France, with state-of-the-art facilities for biomedical research. Successful candidates will be enrolled at Montpellier University's Doctoral School of biological and chemical sciences related to health (CBS2) (https://edcbs2.umontpellier.fr/index.html?language=en&page=home).

**Position**  
The LabMUSE EpiGenMed is currently accepting applications for three-year PhD positions in collaborative PhD Training Networks at Montpellier University starting on October 1st, 2021.

Positions are available in the following PhD training networks:

- Network “Regulated protein-nucleic acid compartment formation in the signaling of fundamental biological processes”: 3 positions:
  - Institute of Human Genetics - IGH: Jérôme Dejardin
  - Institute of Human Genetics - IGH: Nadine Laguette
  - Centre of Structural Biochemistry - CBS: Alessandro Barducci

- Network “Role of DNA secondary structures in genome regulation”: 3 positions:
  - Institute of Molecular Genetics of Montpellier - IGMM: Jean-Christophe Andrau
  - Centre of Structural Biochemistry - CBS: Guillaume Cambray
  - Montpellier Cell Biology Research Center - CRBM: Dominique Helmlinger

**Responsibilities**  
Project descriptions, please see: https://filesender.renater.fr/?s=download&token=9dc97060-c53a-4a54-b73a-b6be13b85690
Requirements
Candidates must have achieved academic excellence and be highly motivated to pursue a PhD research project in the above-mentioned PhD networks. They should have obtained a Master-2 level diploma or equivalent by Summer 2021.

Application procedure (deadline etc.)
Interested candidates should submit their application directly to the LabMUSE EpiGenMed before May 26th, 2021: https://questionnaire.umontpellier.fr/index.php/774212?lang=en
