Title
Senior Scientist
at the Department of Organic Chemistry,
Faculty of Chemistry, University Vienna

Institution

Position
Senior Scientist
at the Department of Organic Chemistry
(to 31.12.2025)

Reference number: 12019

The Maulide Group at the Institute of Organic Chemistry is currently recruiting a Senior Scientist. The candidate should bring a strong background in ynamide chemistry, synthesis of natural product-scaffolds through rhodium catalysis, amide activation and (photo)redox catalysis. The position is initially limited to 4 years and is intended for permanent employment.

Duration of employment: 4 years
Extent of Employment: 40 hours/week
Job grading in accordance with collective bargaining agreement: §48 VwGr. B1 lit. b (postdoc) with relevant work experience determining the assignment to a particular salary grade.

Responsibilities
Your tasks: Scientific support for research projects at the Institute of Organic Chemistry, especially in the domains of ynamide chemistry, synthesis of natural product-scaffolds, amide activation and drug design. Coordination of collaborative projects in Medicinal Chemistry and Drug Discovery. Planning and execution of own research projects in the areas of Medicinal and Organic Chemistry. Publication of the research results in peer-reviewed, international scientific journals. Holding of lectures and laboratory courses according to the “Kollektivvertrag”, in the area of Organic Chemistry. Supervision of students. Participation in administration tasks and scientific management.
**Requirements**

- IT knowledge – Experience in the acquisition and implementation of third-party funded projects – Experience in teaching.

Your application should include the following documents:
- Letter of motivation – Academic curriculum vitae (including a list of publications, a list of courses and a list of talks given) – Description of research interests and research agenda – Contact details of people who could provide a letter of reference.

**Research fields:**
Main research field: Chemistry
Special research fields: Organic chemistry
Importance: must

**Education:**
Educational institution: University
Educational level: Chemistry
Special subject: Organic chemistry
Importance: must

**Languages:**
English:
Language level: Excellent knowledge
Importance: must

**Computer-Skills:**
Type of computer skills: Basic Knowledge
Specified computer skills: MS Office
Importance: must

**Application procedure (deadline etc.)**

Applications including a letter of motivation (German or English) should be submitted via the Job Center to the University of Vienna (http://jobcenter.univie.ac.at) no later than 20.05.2021, mentioning reference number 12019.

The University pursues a non-discriminatory employment policy and values equal opportunities, as well as diversity (http://diversity.univie.ac.at/). The University lays special emphasis on increasing the number of women in senior and in
academic positions. Given equal qualifications, preference will be given to female applicants.
