Title
Senior Lecturer
at the Department of Analytical Chemistry, Faculty of Chemistry,
University Vienna

Institution

Position
Senior Lecturer
at the Department of Analytical Chemistry

Reference number: 13733

The Department of Analytical Chemistry is filling the position of
a Senior Lecturer.

Duration of employment: 4 years
Extent of Employment: 40 hours/week, which include a teaching
assignment of 24 hours instructive teaching on a average per
semester.
Job grading in accordance with collective bargaining agreement:
§48 VwGr. B1 Grundstufe (praedoc) with relevant work
experience determining the assignment to a particular salary
grade.

Responsibilities
As a senior lecturer you will teach in the field of analytical
chemistry specifically in the area of instructive teaching in our
Bachelor and Master programs. For this position experience in
the field of digital teaching and in-depth knowledge in handling
of large data sets (programming languages Python and/or R)
are required. Teaching to the extent of 24 hours per week is
planned. Keeping the scientific status on cutting-edge and
further didactic training during the lecture-free times is expected.
Part of the job consists of administrative tasks, specifically in the
field of teaching and the implementation of e-learning. The
University of Vienna offers a 4-year contract for Senior lecturers
with the possibility for a permanent contract in case of positive
evaluation.
**Requirements**

Candidates who see university teaching as an interesting and challenging career field are invited to apply. The formal requirements are: a) Master in chemistry, b) Proof of autonomous teaching experience at university level, c) Research and teaching experience in the field of analytical chemistry

Application documents:
- a) CV and certificates, references, evaluation results if relevant, etc.
- b) Letter of application (max. 2 pages)
- c) Proposal for a didactic teaching concept (max. 2 pages)
- d) List of past held lectures and seminars
- e) List of publications and list of successful research projects
