Title

Senior Lecturer
at the Department of Inorganic Chemistry, Faculty of Chemistry,
University Vienna

Institution

Position

Senior Lecturer
at the Department of Inorganic Chemistry

Reference number: 13732

The Department of Inorganic Chemistry is filling the position of a Senior Lecturer.

Duration of employment: 4 years
Extent of Employment: 20 hours/week, which include a teaching assignment of 12 hours instructive teaching on an average per semester.
Job grading in accordance with collective bargaining agreement: §48 VwGr. B1 Grundstufe (praedoc) with relevant work experience determining the assignment to a particular salary grade.

Responsibilities

As a senior lecturer you will teach in the field of environmental chemistry specifically in the area of instructive teaching (specifically in the lab courses for bachelor and master studies in the area of environmental chemistry). Teaching to the extent of 12 hours per week is planned. Keeping the scientific status on cutting-edge and further didactic training during the lecture-free times is expected. Part of the job consists of administrative tasks, specifically in the field of teaching and the implementation of e-learning. The University of Vienna offers a 4-year contract for Senior lecturers with the possibility for a permanent contract in case of positive evaluation.
Candidates who see university teaching as an interesting and challenging career field are invited to apply. The formal requirements are: a) Master in chemistry, b) Proof of autonomous teaching experience at university level, c) Research and teaching experience in the field of inorganic chemistry

Application documents:
a) CV and certificates, references, evaluation results if relevant, etc.
b) Letter of application (max. 2 pages)
c) Proposal for a didactic teaching concept (max. 2 pages)
d) List of past held lectures and seminars
e) List of publications and list of successful research projects
