Title

Postdoc positions in Molecular Biology, Epigenetics, Biochemistry, Biophysics & related fields - IMB Postdoc call 2021/2022

Institution

Institute of Molecular Biology gGmbH (IMB) Mainz

Position

IMB (www.imb.de) is a centre for basic research on the campus of Mainz University, Germany. Our research focuses on the biology of the nucleus, ranging from the molecular to the organismic level. Within the IMB Postdoc Programme (IPPro), we are recruiting new postdocs.

What we offer:

- Cutting-edge research projects in a fully international and interdisciplinary environment, with English as our working language
- Support by strong core facilities (www.imb.de/core-facilities) that provide state-of-the-art services in bioinformatics & AI, cytometry, genomics (e.g. single-cell & small-RNA-Seq), microscopy (e.g. super-resolution & high-throughput confocal imaging), proteomics, protein production, and a full media lab service
- Advanced training in scientific techniques and professional skills
- Active support as your career develops, e.g. with mentorship, successful networking, and acquisition of independent grants
- Fully funded positions

If this sounds like you, please see details on the projects offered in this call by visiting www.imb.de/postdocs. This website also provides information on how to apply and an online application form.

Responsibilities

We seek talented and ambitious scientists with an interest in the following areas:

- Ageing and longevity
- RNA biology (e.g. small & non-coding RNA, R-loops)
- Telomere biology
- Epigenetic gene regulation
- DNA repair & DNA damage response

- Proteomics & protein quality control
- Systems biology & computational biology
- Biochemistry / Chemistry

Requirements

- PhD or MD in a relevant subject
- Demonstrated academic excellence (e.g. publications, grants, awards, research stays at other institutions, etc.)
- Fluent in English (written and spoken)

Application procedure (deadline etc.)

To apply, please use the online form provided on our webpage. For further information about the positions offered, the application procedure and eligibility, please visit our webpage: www.imb.de/postdocs. IMB is an equal opportunity employer.

The deadline for applications is 25 November 2021. Interviews are currently scheduled to take place in Mainz on 20-21 January 2022.

Declaration of consent and data protection:

By sending us your application, you consent to us saving your personal data in order to carry out the selection process. You can find more information on data protection and retention periods at www.imb.de/jobs/datenschutzerklaerung-data-protection.
