

## Marie Skłodowska-Curie Post-doc Positions in Germany

### “Expression of Interest” for hosting Fellows within the

### **society and enterprise panel**

#### 1. Valid for the following Calls:

X 2017	X 2019
X 2018	X 2020

#### 2. Interested institution (legal person):

SC Travel GmbH

We are a new startup based in Hamburg with offices in Frankfurt. We are highly research intensive, as we are developing a new technology and new concepts for specific travel services. Therefore, we are building a highly interdisciplinary R&D team where we need expertise on artificial intelligence, engineering, software development, as well as design, literature, sociology, geography and marketing.

#### 3. Position, scientific requirements, topic, discipline\*:

Post-doc Position: *study the phenomenon of supercommuters from aggregated data - new migration trends for high income population*

\*Please tick:

(according to [scientific subject areas](#), defined by the German Research Foundation)

☐ Life Sciences

☐ Natural Sciences

☐ Engineering Sciences

X Social Sciences and Humanities

#### 4. Contact person (name and e-mail address):

Marco Masia: <mailto:marco.masia@super-commuter.com>

#### 5. Deadline for considering interests by postdoctoral applicants:

We are always available to consider postdoctoral applicants. Since calls for MSCA are open for approximately 6 months, we encourage applicants to contact us at latest four weeks before the deadline. This would allow them to write a good proposal with high possibility for success.
