5. What we offer

Heinrich Heine University Düsseldorf is a young, research-oriented university in the heart of the Rhineland metropolitan region. We conduct cutting-edge research in a wide array of sectors, across five faculties on one campus: Faculty of Mathematics and Natural Sciences, Medical Faculty, Faculty of Law, Faculty of Business Administration and Economics and Faculty of Arts and Humanities - [Universität Düsseldorf: Research profile \(uni-duesseldorf.de\)](https://www.uni-duesseldorf.de)

Are you a talented researcher interested in a research stay at Heinrich Heine University in Düsseldorf?

Register for our **Marie Curie Masterclass** and find out how to apply for a Marie Skłodowska-Curie Postdoctoral Fellowship. The Masterclass will be held as an online seminar from 10 to 12.30h on 18 and 19 May 2021. Guest speakers from the National Contact Point for Marie S.-Curie Actions and successful applicants will also take part to support you in developing a proposal for the Marie S.-Curie Postdoctoral Fellowships' deadline in September 2021.

If you decide to apply, you will be supported with your application by the team of research managers in the Research Management and Transfer Department at Heinrich Heine University.

The agenda including further information on eligibility criteria and the registration link can be found [here](#).

Please make sure that you find a suitable supervisor at HHU before the Masterclass. You need to name the supervisor when you register.

If you have any questions please contact the Department for Research Management and Transfer: [Universität Düsseldorf: Support for applicants \(uni-duesseldorf.de\)](https://www.uni-duesseldorf.de)
