What is the EIT?
The European Institute of Innovation and Technology (EIT) drives innovation in Europe by supporting entrepreneurs, innovators and students across Europe to turn their best ideas into reality.

How does the EIT work?
- Trains a new generation of entrepreneurs
- Develops innovative products and services
- Supports start-ups & scale-ups

Europe’s largest innovation community
- 814 companies including SMEs
- 102 cities, regions and NGOs
- 179 research centres
- 205 higher education institutions
- 1 000+ partners across Europe

The EIT’s Innovation Communities create and find innovative solutions to major societal challenges

Europe’s one-stop shop for innovation
- 6 100+ Jobs created
- 890M+€ Investment raised by EIT ventures
- 1 250+ Ventures supported
- 600+ New products and services
- 1 700+ Graduates completing EIT programmes
- 40+ Innovation Hubs across Europe
