## Aims
- Increasing awareness of research and innovation activities, with a view to supporting the public recognition of researchers.
- Creating an understanding of the impact of researchers' work on citizen's daily life.
- Encouraging young people to embark on research careers.
- One science promotion event yearly, typically on the last Friday in September.

## Funding
- Maximum duration of the project: 20 months with maximum two editions of the NIGHT in consecutive years.
- Funding of any activity or event that boosts public awareness of the positive role of research in society – particularly among young people.
- Funding covers any expenses linked to the organisation of a research outreach event including activities such as hands-on experiments, science shows, debates, competitions, workshops or quizzes.

## Who can apply?
- Any legal entity established in an EU Member State (MS) or Associated Country (AC).

## Requirements
- Minimum: participation of one legal entity located in a MS or AS.
- Possibility to include partners like private and public research organisations, companies, public authorities, schools, science museums, foundations, media, etc.

## Submission
- Publication of calls every two years; electronic submission of proposals.

## Publication
- Publication: 8 October 2019
- Deadline: 8 January 2020, 17:00 CET Brussels time
- Budget: EUR 8.00 million
