<b>Title</b>	PRIME - Postdoctoral Researchers International Mobility Experience
<b>Institution</b>	The German Academic Exchange Service (DAAD) supports over 100,000 German and international students and researchers around the globe each year – making it the world's largest funding organisation of its kind.
<b>Position</b>	<ul style="list-style-type: none"><li>- postdoctoral position in Germany, including outgoing mobility (12 months) and return phase to Germany (6 months)</li><li>- you receive a temporary contract (German payscale TV-L13) for 18 months and will be posted abroad with monthly expatriate allowance</li></ul>
<b>Responsibilities</b>	Postdoctoral researchers who see their long-term career perspectives in Germany receive funding for a research stay abroad. We expect you to work closely with your hosts and to keep us updated on project changes. You must submit intermediate and final reports regarding project progress to DAAD.
<b>Requirements</b>	<ul style="list-style-type: none"><li>- above-average scientific record</li><li>- completed your doctorate before the start of funding</li><li>- specific mobility rules for Non-EU applicants</li></ul>
<b>Application procedure (deadline etc.)</b>	Please see the call for applications for further information on the application and selection procedure. Deadline: 31 August 2022 Selection results: March 2023 Starting dates: 1 June 2023 - 1 November 2023
